Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Tuesday 19 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Unsettled, windy and changeable on Wednesday.

This Evening and Tonight:
Evening rain over England and Wales moves eastwards to become confined to parts of East Anglia and southeast England by dawn. Otherwise some clear spells but squally heavy showers, some thundery, follows into Wales and the southwest later.

Wednesday:
Windy, unsettled and changeable with many areas seeing showers or longer spells of rain at times, including some thundery showers for parts of England and Wales.

Outlook for Thursday to Saturday:
Noticeably colder on Thursday, especially in strong winds, but bright with showers, wintry in the north. Turning drier and less windy into Friday then becoming wet and windy on Saturday.
